

Cultivate: College Experience Internship Application

Early Decision Applications Accepted March 15 to May 15

Fall Decision Applications Accepted August 1 to September 15

Cultivate: College Experience is a one-year internship for a college student to serve in a local church or ministry setting for 20 hours/week from October 1, 2020 to May 1, 2021, receiving a salary of \$10,000.

College and Gap Year students should complete and submit this application along with a cover letter and resume to Brynn Mosello at bmosello@gnjumc.org. Once your application has been reviewed, you will be contacted for a 30-minute interview. Next Generation Ministries will match the student with a ministry setting and supervisor who will consider and accept the internship application. Students will be interns of the local ministry setting, not Next Generation Ministries. Please indicate your desired local ministry setting (a specific church, Hope Center or ministry where you would like to serve). If you do not have a preferred ministry setting, Next Gen will select one for you.

Major (optional)

Degree Program: (optional)

Projected Graduation Date (optional)

Preferred Ministry Setting (Where do you want to complete your internship, optional)

Next Generation Ministries welcomes all people to participate and lead in its ministries and programs. We believe that all people are of sacred worth, beloved children of God, and embrace the diversity of race, ethnicity, nationality, sexual orientation, gender identity, economic ability, family configurations, education, and mental and physical ability in the Body of Christ. Whoever you are and wherever you are from, here you will find a safe, life-giving space to connect, grow and lead in your faith journey.
